

NOTICE FOR INTERVENTION AND COMMENT

DOCKET NO. 2021-192-E

Dominion Energy South Carolina, Inc. Coal Retirement Docket Opened Pursuant to Commission Order No. 2021-418

On June 9, 2021, the Public Service Commission, during its regularly scheduled Commission Business Meeting, issued Order No. 2021-418:

The revisions to the DESC 2020 IRP previously ordered by the Commission resulted in Resource Plan 8 being selected by DESC as the “preferred portfolio” to lessen ratepayer impact, promote reliability, incorporate renewable energy, reduce carbon dioxide emissions, and considered the least risky of the resource plans. RP 8 also retires the Wateree and Williams coal plants in 2028 and converts the Cope coal plant to natural gas in 2030.

I move that the Commission open a DESC Coal Retirement Docket so that the company and the parties can advise the Commission on an appropriate procedural schedule along with any statutory or regulatory deadlines that might need to be addressed. I further move that the Commission direct the Clerk’s Office to issue a notice for intervention and comment from the all interested parties and stakeholders.
